LONG PLAY IS A SUPERCHARGED MUSICAL RIDE THROUGH RIGHT NOW

*All we need is music, sweet music
There'll be music everywhere*

That is not just a quote from Martha and the Vandellas – it's the truth!

There will be music everywhere, and we will be dancing in the street at LONG PLAY 2025.

50 CONCERTS in 10 VENUES, ACROSS 3 DAYS, MAY 2 to 4, in BROOKLYN.

Now more than ever, we need music that can reach out to us, bring us all together. Audacious courageous music that brings light into the world.

*Callin' out around the world
Are you ready for a brand new beat?*

THANK YOU for joining us at LONG PLAY 2025.
